- 1 Administrative responsibilities** outside your jurisdiction. They became the CES management, the executive director and the president of the Scientific Council.

He sexually abused a student and was covered up because he was a high-level researcher.

It was a sincere, genuine and human statement, which does not typify any type of abuse, sexual intent or insinuation.

**“RADICALISM IS, EVIDENTLY,
DANGEROUS FOR THE INSTITUTION AND
IT PARTICULARLY OFFENDS ME, SINCE I
MAINTAIN THAT **MODERN DOMINATION
IS CAPITALISM, COLONIALISM AND
PATRIARCHY. SO I THINK WE HAVE TO
TAKE A VERY FIRM PEDAGOGICAL
STANCE.**”**

MAIN ACCUSATIONS MADE AGAINST THE PROFESSOR

4. WHAT IS BSS ACCUSED OF?

MAIN ACCUSATIONS MADE AGAINST THE PROFESSOR

5. WHAT IS BSS ACCUSED OF?

He was the **mentor of a network created at the CES of "friends with benefits."**

Contact with the authors of the defamatory chapter was very limited from the beginning. The only author with whom he rarely coincided was Lieselotte Viaene. The other authors were not his doctoral students, so he did not have personalized contact with any of them.

MAIN ACCUSATIONS MADE AGAINST THE PROFESSOR

6. WHAT IS BSS ACCUSED OF?

He organized **debauchery sessions** at the Casarão restaurant.

Meetings between students to socialize and debate ideas are very common, for many years in Coimbra.

These gatherings were born with the objective that students from various doctoral programs could interact outside the classrooms in a less formal environment. It was a place where everyone was welcome, even students from outside Coimbra attended. Many professional and personal relationships were born from these gatherings.

The teacher attended these meetings not every time and, when he did, not all the time, so he should not be responsible for the interactions that arose from these meetings between adults, without his presence.

**“AT 80 YEARS OLD, I WOULD LIKE TO BE
ABLE TO FOCUS ON SOMETHING ELSE,
AND I THINK I DESERVE SOMETHING
ELSE, BUT I AM WHERE I AM, AND I
WANT TO ASSUME ALL MY
OBLIGATIONS AND THE RESPONSIBILITY
AND LEADERSHIP THAT I MUST HAVE IN
THIS.”**
